The “End of Year Celebration” is a fun opportunity for classes to celebrate the end of the school year and experience the different and exciting programs offered at the club. This year the Riding Club is offering three different program designs tailored to specific age groups: primary (JK to grade 3), junior (grades 4-6) and senior (grades 7-8). For more information on activities planned for each age group please contact the riding club at 519-542-5588. The program typically runs from 9:30 a.m. to 3 p.m. however the hours are flexible if the schools have any conflicts with the time range.

The day can consist of the following:

### **Swimming**

The portion of the day in the pool will consist of fun organized games and contests organized by the lifeguards. All lifeguards and instructors have National Lifesaving Society Certificate, Tri-Instructors teaching certificate and Standard First Aid with CPR training.

### **Tennis**

On the courts, students will receive basic introduction and instruction followed by fun tennis games. The instructors have a strong background in tennis and are dedicated to helping children of all abilities develop their fitness and skill levels. As well, for the games they will use specialized tennis balls that allow easier hitting for beginners and longer rallies.

### **Camp Activities**

These activities will include aspects of music, water play and loads of fun games planned for all different age groups! The day camp leaders will organize this portion and are committed to promoting a fun and positive environment for children.

### **Lunch**

Lunch will include a hot dog hamburger, chips, a drink and an ice cream treat.

### *Cancellation Policy*

In the case of inclement weather, every effort will be made to reschedule your class' party.
