

Sarnia Riding Club Recreational Use of Club for a Minor Consent Form

(Required for members younger than 18 that wish to be here without a parent/guardian)

While physical distancing and COVID-19 precautions are in effect, I hereby give consent for my child _____ be at and use the Sarnia Riding Club while unaccompanied by a parent/guardian for the 2020/21 season. I am aware of the Club's safety precautions and the new policies that are in effect and I will review the changes with my child. I take responsibility for the actions of my child while at the Club and that he/she will follow the rules and policies that are in effect. Failure to follow those rules while on the premises of the Sarnia Riding Club will render this consent null and void and my child will then have to be accompanied by a parent/guardian whenever at the Club.

Until the Sarnia Riding Club receives this, anyone under the age of 18 must be accompanied by a parent or guardian.
