Sarnia City Squash

While club championships are still pending, the squash league has come to an end. We had another great influx of new players this year to push some of the league veterans around! In the end, Team E, who was leading much of the season, came out on top with a decisive 5-2 victory over "Vital Nicks". Thanks to everyone for a great season - although there's already talk of a summer league, so is the season every really done?

Jr Squash “Away Day”

We also took our first group of juniors to London for an “away day” after hosting our London friends in December. Our juniors showed all kinds of skills and had a fantastic day!

High School Squash

Junior High School Champions

Senior High School Champions

Our high school season has also come to a close. We have had almost 40 high school players regularly out on the courts this season. Congratulations to the St. Pat’s team on winning the junior division and Northern’s team for their first-ever win in the senior division. Special shout-out to our members Adam Voisey and Julian Smith for taking first and second place, respectively, in the senior division and to Aayla M’Larkey for her second place finish in the girls’ division.

OFSAA 2024

OFSAA All Schools Teams

We also had three teams attend the OFSAA Invitational tournament in Toronto at the May Fair Club. Special congratulations to the St. Pat's team, who placed second in the emerging teams draw! Northern's team edged out St. Francois-Xavier in an all-Sarnia battle for 7th! Very proud to have all three of our teams place in the top 10!

St. Pat's Silver Medal

Squash season will wrap up this week with junior and senior club championships running May 1-3 in the evenings! Come out and cheer on your favourite players!
