# HISTORY PROJECT!

We are looking for members to submit stories about how the club functioned and things that happened around the club during the era of 1985 - present.

For example, if you can remember: building the breakwall/groins at the club, working at swim meets, the lifeguard competitions and kids being a 'victim', swim team, New Years at the club, squash leagues, tennis leagues and yearend champs, trips to Cedar Point and The Rogers Cup, camp out on the hill, Algonquin Canoe trip, kids signing chits and the whole paper process, the rebuilding of Courts 1-4, work groups every January, the board of directors and member committees ... etc, we would like some of your memories.

Relive the past and create a story (a paragraph or a page, any length) about one or two such events at the club from the last 40 years. Please submit your "SRC Trip Down Memory Lane" Story. These stories will be organized, edited and used to document the club's history. We would like to collect information by January 2025 so that we can work on it during the winter for a spring publication. Also if you have any pictures please forward them too.

Send your information to Alice McLeod
