A graphic for a movie night event. On the left, a black movie camera on a tripod is shown against a dark blue background with yellow stars. A large yellow beam of light from the camera illuminates the right side of the poster. The text is centered within this yellow area. A film strip graphic curves along the top right and bottom right edges of the yellow area.

Business Networking Meetings

We're back after summer and excited to restart our Sarnia Business Networking Group! We're always welcoming new members who want to grow, connect, and level up their business. Last season, many of our members walked away with powerful takeaways — and we can't wait to build on that momentum this fall.

Facilitated by Sean Ryan

Calling all Sarnia-Lambton business owners!

We're keeping this group small to foster meaningful connections and impactful conversations. To ensure a balanced mix, we'll do our best to match members with others at a similar stage in their business journey and limit the number of participants from each industry. If we receive a high level of interest, we'll explore creating additional groups.

The Format

An educational speaker shares insights on business, marketing, or personal growth.

One member presents a pitch for their product or service.

The group collaborates to provide constructive feedback to help refine and strengthen their message.

If this sounds like you and you're excited to connect with like-minded business owners, please fill out the form to join the group at the Sarnia Riding Club!

3rd Wednesdays of Every Month

When?

Third Wednesday of Every Month
2-4pm
